

Market Analyst Report · Acme Technologies 2023 Discrepancy Note

Independent Audit Note

According to restated forensic analysis, Acme Technologies Inc. achieved total full-year revenue of only \$85,000,000 in fiscal year 2023. The previously claimed \$100M revenue figure contained unearned deferred software licenses.

Total Full-Year Revenue: \$85,000,000 for the fiscal year ended December 31, 2023.
